

CUSTOM INCENTIVE

2024 DATA COLLECTION WORKSHEET

A Touchstone Energy" Cooperative X

CUSTOM INCENTIVE EXPLANATION	-			
 Dairyland will determine the incentive for q 			e, commercial and indu	strial equipment. Any
electric savings technologies in new and existing facilities will be considered.				
 Incentives are capped at no more than 20% of the cost of the equipment, not to exceed \$12,000 per consumer-member account 				
 per year. Preapproval is required. Submit documentation listed below for preapproval to Brian Waite at Dairyland Power. He will calculate 				
Preapproval is required. Submit documentation listed below for preapproval to Brian Walte at Dairyland Power. He will calculate the incentive and inform you of the amount that can be invoiced when the project is complete.				
 This data collection worksheet 				
✓ Spec sheet(s)				
 Proposed costs for all equipment (do not include labor or installation costs) 				
Documentation should be submitted to Brian Waite at Dairyland Power no later than 3 months after project completion date.				
✓ Sales receipt(s) for all installed equipment with purchase price(s) circled (do not include labor or installation costs)				
 Documentation showing the equipment has been installed
